## EQUINE CANADA STATEMENT OF PRINCIPLE

---

Equine Canada (EC), the National Equestrian Federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

EC is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.
- Requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subject to mistreatment.
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.
- Providing for the continuous well being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure.
- Continuing to support scientific studies on equine health and welfare.
- Requiring owner, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions.
- Reviewing, revising and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

---

## SOME EQUINE CANADA RULES

---

Competitors should be aware of the following:

**Only parents/legal guardians may sign the liability waiver form on behalf of a minor child. Trainers, coaches, agents, etc may no longer sign this form.**

A Junior under 10 years of age does not require a Sport License. All competitors 10 years of age and over must have a Sport License for the level required – Bronze, Silver or Gold.

**PERSON RESPONSIBLE:** The Person Responsible for a horse is an adult, who has, or shares, responsibility for the care, training, custody, and performance of the horse and who has official responsibility for that horse under EC Rules and is liable under penalty provisions of the Rules for any violation of the EC Rules. The Person Responsible must hold an EC sport license (see A203.5). In the case of junior entries, parents or guardians are entitled to sign their children's entry form without holding an EC Sport License, provided they agree to abide by the rules and penalties contained in the Rule Book. (See A214.2). For the purpose of these Rules, the Person Responsible is normally the trainer, owner or the competitor who rides or drives the horse during an event or a parent or legal guardian in the case of junior competitors. The person Responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed in the stables by himself or herself or by any other person with authorized access to the horse, or while the horse is being ridden, driven or exercised.

It is compulsory for the horse's competition number to be worn by the horse or rider/handler anywhere outside the stall from the time that the number is issued until the end of the competition so that officials can identify the horse.

All 2010 EC tests, including freestyles, are written for the 20 x 60 meter arena. Exception: Training Level Tests 1, 2, 3, 4 and First Level Test 1 may be ridden in either a 20 x 40 meter arena or a 20 x 60 meter arena

at Bronze, Silver and Gold Competitions. All tests must be ridden in a 20 x 60 meter arena at Provincial, Regional and National Championships.

In the case of a fall of horse and/or rider, while in the competition arena, the rider will be eliminated immediately from the class.

Junior competitors must wear properly fitted, approved protective headgear, with the safety harness correctly secured at all times while mounted on the competition or event grounds. Approved headgear must be certified by SEI or another testing body that it meets the American Society for Testing Materials (ASTM) standard or the British Standards Institute (BSI) standard. *Please note that helmets purchased in other countries may be certified for those countries, but are not certified for juniors riding in Canadian dressage shows unless they display the SEI, ASTM, or BSI certification.* This ruling applies at Bronze, Silver, and Gold EC sanctioned competitions. Juniors not complying with the rule will not be allowed to compete in competitions that require approved headgear. It is strongly recommended that all persons wear approved headgear with secured and properly fitted harnesses at all times while mounted. Any competitor may wear protective headgear in any division or class without penalty from the judge.

A horse/pony may be ridden at two consecutive levels with the same or two different riders but may not be entered in the same class with two different riders.

No horse/pony may be ridden in more than four tests (including the freestyle) in one day. A horse/rider combination may compete in a maximum of two consecutive EC freestyle levels per day. These must correspond to the technical levels at which the horse/rider combination is competing on the same day; e.g: Second Level technical plus First and Second Level freestyles.

For freestyles, the rider must provide the show organizer with two functioning copies of their freestyle music which can be played on a CD player or tape deck and not just on a computer.

Freestyle eligibility for riders in Gold and Silver competitions (all EC levels and FEI freestyle levels): A horse/rider combination must have obtained the following prior to competing in a freestyle: a minimum score of 55% in a dressage test at the same technical level, or higher, as the freestyle they wish to enter (e.g. 55% in First or Second Level to compete in the First and/or Second Level Freestyle). The dressage score may have been obtained at an EC Gold/Silver dressage competition prior to the competition, or may be obtained at the same competition in which they wish to enter the freestyle. **Note:** Bronze competitions require no minimum technical score.

Technical scores earned at Silver competitions count toward entering a Freestyle in a Gold competition and vice versa.

Horses must enter the ring within **45** seconds of the bell or whistle.

Riders must report, still mounted, to the steward or his/her representative for a tack check immediately upon leaving the competition arena. The rider may not remove any equipment or clothing before the steward has conducted their inspection.

**A rider who is eliminated during a test must still report to the steward for a tack check.**

*All competitors are responsible for knowing and understanding their rulebooks:  
Equine Canada Section A: General Rules and Regulations (2010) AND Equine Canada Section E: Dressage (2010)*
